

**SCHEMA 1. BASIC BEING REALISM -- MAN: BODY/SOUL COMPOSITE -- NATURAL LAW IN ACTION OR ROMAN CATHOLIC HUMANBEINGNESS OR BASIC BEING REALISM**

Body	Soul (Spirit)				
CONTINUUM Variables of Physical Space-Time	TRANSCENDENTALS Variables of All Being	MENTAL SUCCOR Variables of Healthy Human Interaction	SACRAMENTS Divine Variables of Rituals Linking to the Statimuum and God	HUMANNESS Variables of Community Universals	VIRTUE Variables of Will and Incarnating Acts
Event A point in space-time or something that happens at a certain place and time	res - matter - confluence of being with matter completing it (and matter exists to praise God)	Living things are precious - In a cosmically short, humanly long 600 million years, matter has organized itself into living things. In his process, no species has been able to foresee the next step forward in the mental direction of evolution. Therefore, activities that hurt any living thing should be consistent with evolving life and respect the dominant species existant. For acting counter to this protean law spoils water, soils air, ruins land, kills living things, and may postpone the next higher level of evolution, which hopefully will have supra-human Men living peacefully together in a fuller Humanity that our minds cannot foresee. Choose Life, hurt less, and kill little.	Baptism "Woman behold thy Son." - - To cleanse one's soul and to become alive. To enter the realm of God and to participate in the Incarnation.	Dignity - treated as inviolable end and never uses a means	Faith-assent to God
Spectrum - The splitting of energy into position-time relationship	aliquid - identity/form - confluence of being with its form or essence and, for man, with the Image of God.	Selective Ignoring - Animals seldom ignore and often are indiscriminate. But a human being consciously selects those things to be overlooked in the interest of mutual respect. Ignoring those things removes antipathy which wastes human energy. Selectively ignore ... so that nothing ruins relationship. Thus hate will be thwarted, and love will personalize whatever confronts you.	Penance "Father forgive them for they know not what they do." -- Suffering converts entropy to synthesis. To Ascend and to participate in the Incarnation.	Unity - honored as a totum and no part treated in isolation	Hope - Trust in ultimate positivity and asension

<p>Field - A matrix existing through space and time.</p>	<p>verum - truth - confluence of being with reality.</p>	<p>Subdued spontaneity, non-self excluded -- Spontaneity is to be genuinely responsive (it is a kind of freedom!). However, subduedness is necessary to avoid raucous overbearingness. And deleting "nonsel" is to be without affectation and, as well, is to play not a fraudulent role. In sum, a human being avoids artificial pretending, is free and open, but ... is subdued so as not to offend others. Be yourself therefore, but keep it calm... and thereby dignity, truth, and respect for others become a personalizing and pleasant way of life.</p>	<p>Holy Communion - "Oh my God, why has thou forsaken me?" -- To be in the Body of Christ. To enter the Statimuum and to participate in the Incarnation.</p>	<p>Integrity- moral good upheld and never divorced from his nature</p>	<p>Charity - conscious commitment to perfection</p>
<p>Quantum - The indivisible unit of receiving or giving energy</p>	<p>unum - oneness - confluence with being itself and all desirables related to it establishing an extra epidermal unity with family, neighborhood, community, the world, universe and God.</p>	<p>Affect assistance - Animals do not verbalize feelings or emotions but merely act out instead. A human being, however, expresses the affects: I am angry. You are angry. I am worried. You are worried. I am scared. You are scared. I am sad. You are sad. I am disgusted. You are disgusted. I am confused. You are confused. I am happy. You are happy. By the calm expression of affects, unconditional help is given to oneself and to others in mutual self-understanding, in tactic-less interaction, and in self-aware interpersonal commitment to truth. Therefore, help yourself (and help me) with our feelings. To know and to express them is to create humanbeingness and is to care.</p>	<p>Confirmation - "Into thine hands, I commend my spirit." -- To be in the Holy Spirit. To enter the World of Relating and to participate in the Incarnation.</p>	<p>Identity - as individual and as member of the human species to be valued and allowed to develop without radical alteration</p>	<p>Prudence - practical reason seeing and recognizing the will of God in all things and aware of interdependence of all virtues in life</p>

Singularity - A point position at gravitational collapse wherein the space-time curvature is infinite	bella - beauty - confluence of being with ascendancy or "bringing out the best of itself and all around it" thereby elevating all on the planet.	Detached warmth and gentleness - Animals seldom keep their distance and often are rough, crude and overactive. But a human being has warmth (which is being "close"), detachment (which avoids being "too close"), and gentleness (which makes "love" more than a word). Altogether, detached warmth and gentleness make one's voice, touch, and manner to be more mild, more true, and more conducive to family, friends and strangers having love for one another.	Extreme Unction - "It is finished." To be in the Father. To Enter the Fullness of Life and to participate in the Incarnation.	Spirituality - should be affirmed and upheld and never treated as merely natural	Justice - Regard for and giving to all that is due them
Dimension - Space coordinates and time	ens - what has existence.	Non-reactive listening - Animals hardly listen; they mainly react, and reaction spoils the listening; But a human being accepts voluntary communications from another by allowing full expression without cues of acceptance or rejection. Such non-reaction allows the other to bring forth ideas, feelings, wishes, and fantasies which, if listened to, give understanding -- the basis of growth, love, and peace.	Holy Orders - "This day thou shalt be with me in Paradise." -- To be on the Cross. To Enter The world of Liberty and to participate in the Incarnation.	Life [Father] - Agency conflates	Fortitude - strong, firm, assured, practice of all virtues in pursuit of Good

<p>Uncertainty - Accuracy of position is inversely related to the accuracy of movement</p>	<p>bonum - good - confluence of a being with proper function in nature (proper choice and transcendental compliance in natural law)</p>	<p>Person- Conscious of Consciousness (C2) - Centered Candidness - Animals may be conscious but not conscious of consciousness. Human beings, however, reflect (like human cerebra) back on themselves conscious of their own consciousness. This consciousness squared (C2) gives partial freedom from biological evolution by virtue of reflective thought manipulating matter in the sequential priorities of Life first, Liberty second, and the Pursuit of Happiness third. So candidly center yourself on behalf of C2CCs. To do so is to acquire not only humanbeingness but is to ascend, expand, and achieve community with any Conscious-of-Consciousness Creature ever anywhere in the Universe.</p>	<p>Matrimony - "I thirst." -- To be two in One Flesh. To Enter God's Creating and to participate in the Incarnation.</p>	<p>Liberty [Son] - Contingency confronts</p>	<p>Temperance - moderation and self control</p>
<p>Force - That which effects matter particles</p>	<p>ens - what has existence</p>	<p>Relationship - I pledge allegiance to Mankind and to its flag, for which no one should die; and to evolving life on this planet, for living things are precious. I pledge to treat all humanely by caring for and respecting others' bodies; by understanding others' minds but being true to myself without disrespect; and by accepting the emotions of others as I control my own. I will have mercy on others with gentle liberty and empathic justice for all.</p>	<p>Grace - "Earthquake". - To be Free. To Enter the World of Loving Truth and to participate in the Incarnation.</p>	<p>Pursuit of Happiness [Holy Spirit] - Strategy consecrates</p>	<p>Holiness - dedicated and consecrated to God's Service</p>
